DEPARTMENT OF BIOLOGY
MINOR DECLARATION FORM

Please print clearly:

Name: ___________________________ ID#: ___________________________
Local Address: ___________________________ Email address: ___________________________

Would you like to join the Department of Biology’s email listserve for updates and information?

☐ YES, ADD ME TO BIONEWS! ☐ NO, DON’T ADD ME TO BIONEWS

PLEASE CHECK ONE OF THE FOLLOWING CHOICES:
(All minors require five courses.)

Please indicate (one) Fr. ___ Jr. ___ So. ___ Sen. ___    Trs Std: Yes ___ No ___

Students must complete five of the listed courses

Minor in Molecular and Cell Biology
(1 & 2) Principles of Biology I & II
(3 & 4) Molecular & Cell Biology I & II
(5) At the Bench: Applied Molecular DNA Techniques or
At the Bench: Applied Cell Biology

Minor in Genomics and Bioinformatics
(1 & 2) Principles of Biology I & II
(3) Molecular & Cell Biology I
(4) Introduction to Genomics & Bioinformatics, or
Bioinformatics in Medicine and Biology.
(5) Genomics, Bioinformatics and Genomes,
Microbiology and Microbial Genomics, or
Systems Biology

Minor in Genetics
(1 & 2) Principles in Biology I & II
(3) Molecular & Cell Biology I
(4) Genetics or Human Genetics
(5) At the Bench: Lab in Genetics

Minor in Environmental Biology
(1 & 2) Principles of Biology I & II
(3) Field Lab in Ecology, Ecological Analysis, or
Urban Ecology
(4 & 5) Evolution, Introduction to Ecology,
Biogeochmistry of Global Change, Biostatistics, or
Current Topics: In Earth System Science

Major and Minor in Biology- Principles of Biology I & II are the only courses that can count towards both the major and minor. Additional courses are required to meet the requirements for both the major and minor. These additional courses require approval from the department DUGS office.

Note: The above minors must be completed with a minimum grade point average of 2.0 for all courses taken in the department, including those beyond the five course minimum.
